2<sup>nd</sup> June 2011

Dear Choir member

Cancellation of concert : June 11<sup>th</sup>.

It is with some regret that I am writing to let you know that we have cancelled the concert in aid of Leukaemia Research . At the rehearsal on Tuesday Tim , in discussion with those committee members present, decided that the choir was ill prepared and that it would be best if the concert was called off rather than give sub standard performance. There are several reasons for this, not least the very small number of rehearsals this term and the very low attendance at those rehearsals.

This is the first time to my knowledge that we have had to take this course of action. Naturally the committee are very upset that we have had to do this but by taking the decision on Tuesday it has given the charity chance to cancel the arrangements and recall any sold tickets. I hope that you will understand why we made this decision.

At the rehearsal I did make a commitment that we would give the Charity a donation not least to cover any costs they have incurred so far. We are therefore meeting as usual on Tuesday 7<sup>th</sup> June at the school .I am hoping to be able to arrange for coffee to be served and to have a raffle to raise some money for the charity. So please come along as usual and bring your music and some money so that we can at least make a collection.

We look forward to seeing you on the 7<sup>th</sup> and hopefully at the summer party on the 21<sup>st</sup>, June.

If I do not see you before we finish for the season , enjoy the summer break and return refreshed for the next busy season which will start on Tuesday September 6<sup>th</sup>.

Best Wishes

Diane
