Attendance

Please let me know if you are unable to make rehearsals or workshops or indeed the concert on 23rd July. I appreciate that some of you will already have booked holidays which are well deserved. If you have not it would be great if you could factor the concert into your plans. I know that some of you may not be able to attend all the rehearsals for a variety of reasons but please make every effort to attend the two workshops. We will be expecting 80% attendance at rehearsals prior to this concert unless there are mitigating circumstances. Attendance this term has been excellent so keep it up.

We will start the Autumn term on 13th September. Details of the concerts etc will follow shortly.
